

Maureen

Playing at HOUSE OF OZ 4-27 August, 2.30pm

Johnny Hawkin's performance is SO heart stoppingly beautiful. If you're looking for an emotional release, if you're looking for a great couple of laughs, if you're looking for something that's going to stay with you for years, **Maureen**. Just Maureen! I bought a copy of the script the minute I left.

You have to just try and get a ticket to this show. It is so beautiful, it is so nuanced, it is so touching. It is something I haven't really seen before at the Edinburgh Fringe, and that says a lot, I've seen a lot!
